The South School Education Trust was started in the year 1999 with a unique concept in pre-primary and primary education. The aim of the school is to provide a firm footing for your child to step confidently into the world.

The South School has designed the daytime activities for young minds to learn methodically and express creatively. The special care and personal attention provided by the trained and experienced staff will enable the child to pursue creative talents. A well designed curriculum of learning while playing is a memorable experience for the child.

Our School is housed in a quiet residential area with an abundant space for the child to move about freely. Play equipment and educational aids are provided for healthy growth and development. The school devotes special attention to extracurricular activities.
